ACI FMA Announcement

We are pleased to announce that the National Associations of the ACI FMA Europe region have unanimously re-elected **Mr. Branko Petrovic as ACI FMA Europe co-President.**

As required by the **ACI FMA Statutes (XIII.1)**, Mr. Branko Petrovic's re-election was ratified by the other ACI FMA Regions (Africa, Asia, and the Middle East) during the ACI FMA Council meeting held on 20th September 2023, in Singapore.

The ACI FMA Europe co-President will serve a term of three (3) years on the ACI FMA Management Board, in partnership with ACI FMA Europe co-President Mr. Jørn Luffe Sodborg, sharing equal responsibility.

As agreed, and resulting in closer collaboration, the ACI FMA Europe co-Presidents have each assumed responsibility for different ACI FMA National Associations of the region (document attached), but the Europe region is still considered as one within the ACI FMA organisation.

Mr. Branko Petrovic, ACI FMA Serbia President since 2015, MBA professional with 17 years of experience in treasury, asset and liability management, and market risk, actively involved in the organisation of the ACI FMA Council meetings held in Serbia in October 2016, and co-leader of the ACI FMA Congress Blueprint working group (document approved in 2019), **is pleased to continue in his role as ACI FMA Europe co-President for a second term of three (3) years**, putting his valuable professional experience in the banking business and his knowledge of the association at the service of ACI FMA Europe.

We look forward to our ongoing collaboration with Mr Branko Petrovic and thank him for his continuous commitment and support to ACI FMA.

Please join us in welcoming Mr Branko Petrovic in his new term as ACI FMA Europe co-President and member of the ACI FMA Management Board.
